La Trobe University (Home) - IIT Kanpur (Host) 2025

For projects where the recruited PhD candidate will be based at La Trobe University as the home institution and will spend up to 12 months at IIT Kanpur during their candidature (with timing to be agreed by the supervisors).

Name of Corresponding Investigator for this EOI

Things to Note:

- Proposals need to be led and submitted by a La Trobe principal supervisor
- Only one proposal per La Trobe lead
- Proposals need to have an identified candidate

Candidate Eligibility:

- Must be Australian/NZ domestic (citizen/PR) candidate
- Must be already in receipt of a stipend scholarship at La Trobe
- Must be within 1st year of candidature at the time of application
- Must declare that they are willing to be considered for the joint PhD program

Additional requirements:

- Project cannot involve Defence or critical technologies
- The application must explain whether the transfer to the JDP would require any change to the candidates existing research project, and must confirm that this change can be accommodated within the existing project timeframe (candidature and stipend extensions will not be provided for candidates purely on the basis of involvement in the JDP).

Primary supervisor - La Trobe

Please provide details of the primary La Trobe supervisor for this EOI. The primary supervisor must be appropriately qualified to take on this role.

La Trobe is Home Institution

For projects where the recruited PhD candidate will be based at La Trobe University as the home institution and will spend up to 12 months at IIT Kanpur during their candidature (with timing to be agreed by the supervisors).

Things to Note

- Proposals need to be led and submitted by a La Trobe principal supervisor.
- Only one proposal per La Trobe lead.
